

TOP 3 TIMELY STOCKS TO CONSIDER

Amazon

- One of the largest retail giants in the world
- Second-largest retailer in the U.S. by sales (behind Walmart)
- Major force in cloud computing
- Has extended its Prime membership subscription offering to video and music streaming
- The company is seeing huge strides and success into consumer homes with Alexa digital assistant and other smart-home devices under brands like Echo, Eero and Ring
- Growing ad business up 25% in the past quarter (\$9.5 billion)
- Continues to be committed to improved efficiency and focus on enhanced service offerings

Walt Disney

- The company's board recently replaced CEO Bob Chapek with former CEO Bob Iger
- Iger will likely rein in production costs and further promote content from Disney's enormous back catalog to push streaming services into the black
- The parks segment booked \$1.5 billion in operating income in its' most recent quarter
- Direct-to-consumer (i.e., streaming) revenue grew 8% in most recent quarter to a massive \$4.9 billion

Boston Beer

- Great addition if you are looking to diversify (add different types of investments to your portfolio, i.e., real estate, pharmaceuticals, etc.)
- Its brands include Samuel Adams, Angry Orchard and Twisted Tea (among others)
- Received first place in the consumer preference poll at the Great American Beer Festival
- Has great aspiration to seek long-term profit; expected to generate \$11.5 billion in revenue at end of 2022
- Expected to grow more than 9% per year through 2025
- Considered to be part of the high end of the beer market (craft-style beer)
- Has a partnership with Pepsi; selling Hard Mountain Dew
- Has more cash (\$222 million) than debt (\$47 million)
